NOVEMBER/DECEMBER 2018

WELCOME NEWSLETTER

EQUINOX CENTER OF HERBAL STUDIES

New Location!

507 MATHEWS STREET, FORT COLLINS

We are excited to announce that Laura Cascardi and the Equinox Center of Herbal Studies has shifted into a new space! We are continuing to offer herbal consultations, energy healing sessions, community classes, workshops and educational programs.

The move went seamlessly and I have immense gratitude to the students, friends and loved ones that helped and supported the move! Thank you!

Please feel free to reach out if you would like to initiate a consultation; whether it be a for a follow up, initial or energy work. We are up and running! Donation based follow ups and sliding scale initial consultations still apply.

Upcoming Events and Classes!

UPCOMING CLASSES AND PROGRAMS:

We are happy to announce our first series of community classes for the Equinox Center of Herbal Studies!

The first community class we are offering is an introductory herbal medicine class, Exploring Herbalism. This class, taught by Herbalist Laura Cascardi, explores basic herbalism in a hands-on, taste full, interactive setting with a focus on the energetics of herbs.

Chelsea Gilmore, advanced ECOHS student, will be offering Funky Foods, a class on fermentation!
Learn the ins and outs of the ancient art of home fermentation, taking home your very own fermented food!
Sign up HERE!

NOW OFFERING SCHOLARSHIPS FOR COMMUNITY CLASSES!

For those of you on the low end of the monetary spectrum who are still interested in taking the class please contact laura@equinoxcenterofherbalstudies.com to join the scholarship waiting list. .

FOUNDATIONS IN HERBALISM

This program is the heart and soul of the Equinox Center of Herbal Studies. It is a nine month program with a focus on a full spectrum learning journey surrounding herbal medicine. We are now accepting applications for the 2019 program, which begins in March.
